**Mystic Song** is *World Music* from *beyond this world* that draws on flavors of traditions from around the globe. It is an exchange in this Now-Moment of recent songs and melodies with sounds and syllables that our ancestors used in mystical healing. The result is a striking and beautiful musical fusion!

Lynn and Eric Miller flow through acoustic, jazz, blues and world genres on such instruments as the Zen-harp, shruti box, guitars, mandolin and Native flute. Look for special guests RJ Testa on sax and mandolin, and Dr. Zach Fischer on acoustic guitar and keyboards.
